RACE DIRECTOR EVENT NOTES

Race Director note

Following a question raised during the Team Manager's briefing relating to Stewards Bulletin #03, it is permissible to fit non-declared tyres to transit from the Paddock/Pre-Grid to the Pitlane (Practice and Qualifying) and Grid (Races). The official nominated tyres must be fitted to the car prior to taking part in Practice and Qualifying and before the 3-minute signal (GT4 European Series Sporting Regulation 45.3) for the Races.

Please note that the start of the sessions will not be delayed to facilitate tyre changes.

Tyre changes are not permitted at the conclusion of each session and cars must return to the Paddock as detailed in Stewards Bulletin #03 under Parc-Fermé conditions with the nominated tyres fitted.
