To clarify the Full Course Yellow procedure as explained during the Drivers' Briefing;

When a Full Course Yellow (FCY) period is declared in accordance with article 46.4 of the GT4 European Series Sporting Regulations the procedure will be as follows;

At 20-seconds before the FCY, a message will be posted on the Timing Screen and "Full Course Yellow in 20-seconds" will be announced over the Team Radio.

At 10-seconds before the FCY, the marshals will display the FCY boards (no flags), a message posted on the Timing Screen and "Full Course Yellow in 10-seconds" will be announced over the Team Radio. At this point drivers should CEASE RACING, SLOW DOWN progressively without any sudden or erratic braking and NO OVERTAKING.

At 5-seconds before the FCY a countdown "5-4-3-2-1" will commence over the Team Radio

At zero, "Full Course Yellow now will be announced over the Team Radio", the Timing Screen will display FCY and the yellow flags and FCY boards will be displayed at the marshals posts. FCY will also appear on the light panels and on the in-car marshalling system. At this point all cars should be at 80kph in single file with no weaving, and no overtaking.
