

DECISION No: 31

From: The Stewards **Date:** 05 June 2022
To: Noah Andy (AGS Events) **Time:** 09:10 hrs

The Stewards, having received a request from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 7 / Noah Andy & Hugo Conde

Competitor: Noah Andy

Session: After Race 1

Fact: The competitor has replaced the chassis and engine of car 7

Offence: Breach of Article 40 of the GT4ES Sporting Regulations

Decision: **(i) Car 7 must start Race 2 from the pit lane, and
(ii) A 10-seconds time penalty for car 7 to be served at the compulsory pit stop the car makes during Race 2**

Reason: Both the chassis and engine of car 7 have been replaced after Race 1 because the car suffered engine damage during Race 1 and could not be repaired in time for Race 2. Having heard from the competitor's representative, this is accepted as being a clear breach of the above regulation. The Stewards note that both chassis and engine have been replaced and therefore impose the two-part penalty above.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
