From: The Stewards

Date: 1st July 2022

To: NM RACING TEAM

Time: 15:15 hrs

The Stewards, having received a report from the technical director (document: Report N°3), having examined evidence, summoned and heard the team representative, have considered the following matter, determine the following:

Driver and car No: 15 – Lluç Ibanez & Enzo Joulié

Competitor: NM RACING TEAM

Time (fact): 12:33

Session: Free Practice 1

Fact: Car 15 has been found driving in breach of its GT4 homologation

Regulation: Breach of Article 3.3 of the GT4 European Series Sporting regulations.

Decision: Disqualification of car 15 from the free practice 1 session

Reason: Having considered the matter extensively, the Stewards determined that the car 15 was running during Free Practice 1 with a piece missing on the bonnet section, being therefore in breach of its GT4 homologation. The stewards determined that the competitor must ensure that their cars comply with the conditions of eligibility & safety and with the technical regulation throughout the competition and imposed the penalty stated above.

Finally, the stewards imposed to the competitor that the car must be repaired according to its GT4 homologation for taking part to the Free Practice 2 session.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
