

DECISION No: 14

From:	The Stewards	Date:	28th July 2022
To:	Race Team Gellerasen by AFR	Time:	21:00 hrs

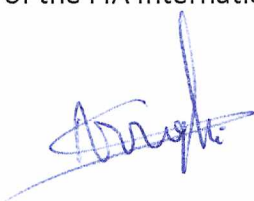

The Stewards, having received a request from the competitor's representative, have considered the following matter and determine the following:

**No. / Driver:** 278 / Gustav Bard and Patrik Skoog  
**Competitor:** Race Team Gellerasen by AFR  
**Session:** After Practice 1  
**Fact:** The competitor has replaced the chassis and engine of car 278  
**Offence:** Breach of Article 40 of the GT4ES Sporting Regulations  
**Decision:** **No further action**  
**Reason:** Both the chassis and engine of car 278 have been replaced after Practice 1 because the car suffered damage at the beginning of Practice 1 and was unable to take part in Practice 2. Whilst this is a clear breach of the above regulation, the Stewards have considered this matter and as the car was changed before qualifying and the competitor has not taken any effective part in FP1 or FP2, no penalty is appropriate in this case.  
The Stewards determine that the replacement car is permitted to participate in the qualifying session and the races, provided it has passed the technical scrutineering checks.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
