

DECISION No: 33

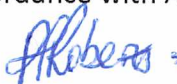

From: The Stewards Date: 29<sup>th</sup> July 2022  
To: CMR Time: 22:15 hrs

\* Decision Number amended from 28 to 33 on 30<sup>th</sup> July 2022 at 10:00 \*

The Stewards, having received a request from the competitor, have considered the following matter and determine the following:

No.: 66  
Competitor: CMR  
Time (fact): 18:00 hrs  
Session: Qualifying 2  
Fact: The competitor has requested three new tyres be issued (in addition to the joker tyre which has been issued).  
Regulation: Breach of Article 29.5 of the GT4 European Series Sporting Regulations  
Decision: **The competitor is authorised to exchange three unusable tyres for three additional new tyres. It is noted that the competitor received the tyres from Pirelli before race 1 but chose not to fit the tyres. They must therefore be fitted and used in race 2. The consequent penalty will be a pit stop time penalty of 10-seconds during race 2 in accordance with Article 16.4 a. and 16.6 of the Sporting Regulations.**  
Reason: Car 66 damaged four tyres in an incident during qualifying and Pirelli have confirmed that these tyres may no longer be used. The competitor has obtained one replacement joker tyre in accordance with the regulations and has requested three further replacement tyres in accordance with the above regulation. The Stewards, noting that the tyres in this case have been confirmed as being beyond use, authorise the exchange of the remaining three tyres for new ones but impose a consequent time penalty, as described above. In issuing this decision, the Stewards make clear that the decision and associated penalty are particular to the circumstances of this specific case and should not be regarded as setting a precedent for any future requests of this nature.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
