DECISION No: 41

---

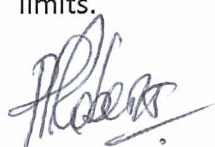

From:	The Stewards	Date:	30th July 2022
To:	Simon Turman (Autosport GP)	Time:	13:00 hrs

---

The Stewards, having received a report from the Race Director, having summoned and heard from the competitor's representative and driver, have reviewed on-board video evidence, considered the following matter and determine the following:

**No. / Driver:** 110 / Pierre Sancinena  
**Competitor:** Simon Turman (Autosport GP)  
**Session:** Race 2  
**Time:** 10:40  
**Fact:** Car 110 slowed in the pit lane, causing delay to car 14 behind.  
**Offence:** Failure to follow article 3.9 of the Race Director's Briefing notes "cars should not be driven unnecessarily slowly in the fast lane to avoid delaying other competitors".  
**Decision:** **10 second time penalty, added to the elapsed race time, plus 1 Behaviour Warning Point.**  
**Reason:** Car 110 slowed and braked at and beyond the pit exit, causing delay to car 14 who was immediately behind. Whilst noting the comments from the competitor that the car had a pit lane speed technical issue, the Stewards determine that there was no valid reason for the driver of car 110 to slow and brake, directly causing delay to car 14 following behind.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
