

## DECISION No. 1

---

<b>From:</b>	The Stewards	<b>Date:</b>	02 <sup>nd</sup> September 2022
<b>To:</b>	All Competitors All Officials	<b>Time:</b>	10:45 hrs

---

The Stewards having received a report from the Promotor, having summoned and heard from competitor's representative, have considered the following matter and determine the following:

**Car No:** 17

**Competitor:** V8 Racing

**Session:** Event

**Fact:** The team used replicated car pass

**Regulation:** Article 15.3 of the GT4 European Series regulations

**Decision:** A fine of € 1.000,00

**Reason:** The Team used a replicated car pass to enter the Hockenheim circuit. The stewards heard from the team manager that this copy was produced by himself as the crew van has broken down on the way to the race track and was replaced by a rental car. In this chaotic situation, the original car pass was forgotten in the broken vehicle. The number of car passes used by the team was not increased with this copy. It is accepted by the competitor that even under this circumstances this is a clear breach of the above regulations. The competitor agrees that such a conduct is wholly unacceptable and was not the best way to handle this problem.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
