

DECISION No. 19

From: The Stewards
To: All Competitors
All Officials

Date: 03rd September 2022
Time: 15:30 hrs

The Stewards have considered the following matter and determine the following:

Car No / Driver: 61

Competitor: AKKA ASP

Session: after Qualifying 2

Fact: The competitor has changed chassis and engine of car 61

Regulation: Article 40 of the GT4 European Series regulations

Decision: car 61 must start race 1 and race 2 from the pit lane

Reason: Both the chassis and engine of car 61 has been replaced after qualifying 2. Having heard from the competitor's representative, this is accepted as a clear breach of the above regulation. The stewards note that both chassis and engine have been replaced and engine and therefore impose the penalty for both races.

The car is allowed to leave the pre grid and have one installation lap, must return to the pitlane without joining the grid and is allowed to start the race from the pitlane once the pit exit is opened after the race is started.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
