

From : The Technical Delegate

Report 02 – Monza

To: The Stewards of Meeting

The Starting entry list dated 17-04-2023 in total #51 Cars

The car #442 not controlled, technical problem (Porsche 718)

Therefore, the #50 cars have been checked on:

1. GT4 Conformity
2. Safety (Checked by the local ASN)
3. Weight and ballast
4. Restrictors have been checked and sealed
5. Weight declarations from the teams have been received.

After the final checks all cars are OK.
