Report N°04 – Paul Ricard 2024

Following problems on car n° 100, the team changed chassis for this car overnight.

Initial chassis number : 17A-023-1

New chassis number : 17A-024-2

The new chassis has been presented to scrutineering this morning.

In parallel, and following a big delay due to repairs, car N°62 has also been presented to scrutineering this morning.

Both cars are compliant on the following points:

1. GT4 conformity
2. Safety (checked by the local ASN)
3. Weight and ballast
4. Restrictors have been checked and sealed
5. Weight declarations from the teams have been received

and are confirming the RACB/SRO GT4 homologation file and current GT4 BOP decisions.

All the driver equipment of the participating drivers (Hans device, suits, underwear, gloves, shoes, balaclava) may have been checked by the local ASN.
