

HOCKENHEIM 2024

From : GT4 Technical Delegate
To: Stewards of the meeting

Report N°10 – Hockenheim 2024

Following damaged sustained in Race 1, car #100 changed the complete car before Race 2.

Initial chassis number used until Race 1 : 17A-023-1

New chassis number from Race 2 on : 17A-024-2

The new chassis has been presented to scrutineering this morning and is compliant on the following points :

1. GT4 conformity
2. Safety (checked by the local ASN)
3. Weight and ballast
4. Restrictors have been checked and sealed
5. Weight declarations from the teams have been received

and is confirming the RACB/SRO GT4 homologation file and current GT4 BOP decisions.
