Report N°06 – Monza 2024

After Qualifying Practice 1 & 2 we have checked the following elements on cars :

#3 #75 #55

- BOP
- Drivers weight (Q1 & Q2)
- Driver equipment (Q1 & Q2)
- Front brakes
- Front antirollbar
- Rear brakes
- Rear antirollbar
- Tyres
- Visual checks

We have also checked driver weight and equipment of the first driver in each category in Q1 (cars #3 – #812 – #300).

All cars comply with their RACB/SRO GT4 homologation file and current GT4 BOP decisions as well as the regulations of the series.

All drivers are conform to their declared weight and their safety equipment is conform.
