

BULLETIN No. 04

From:	The Stewards	Date:	26 June 2025
To:	All Competitors All Officials	Time:	12:15 hrs
		Number of Pages:	1

The Stewards notify those concerned of the following:

Usage of Travel Tyre after Pre-Qualifying, Qualifying & Races:

Due to the specific logistics of this event, and the location of the GT4 paddocks.

For cars not selected by scrutineering, we will allow that teams use a travel tyre to return to their awning after the end of the session.

The change towards this travel tyre:

- Can't be done in the pitlane
- Must be done at the Paddock Entrance (Pit-Out) at Eau Rouge
- Without hindering the safe & orderly conduct of the event including running of other series & activities

We remind you that tyre use during the session will remain in Parc Ferme conditions and needs to be placed in front of the car.

For cars selected by scrutineering, the same will be allowed once the car has been released by the scrutineers. The trolleys must wait on the pre-grid if they want to change the tyres after scrutineering before returning to their awning.
