Report N°01 – R01 Paul Ricard 2026

Of all the cars on the Provisional Entry List Draft 4 dated 07/04/2026 – in total 40 cars:

Total number of cars on the entry list :	40
Total of cars seen at scrutineering:	40
Total number of cars that successfully passed scrutineering :	40* (see remarks below)
Total number of cars that failed scrutineering:	0
Total number of cars not seen at scrutineering :	0

All cars that successfully passed scrutineering are compliant on the following points:

1. GT4 homologation conformity
2. Safety (checked by the local ASN)
3. Weight and ballast
4. Restrictors have been checked and sealed
5. Weight declarations from the teams have been received

and are all confirming the RACB/SRO GT4 homologation file and current GT4 BOP decisions.

Driver equipment of the participating drivers (Hans device, suits, underwear, gloves, shoes, balaclava) may have been checked by the local ASN.

*: Car #71 (Elite Motorsport with Entire Race Engineering) could not present the SRO GT4 Certificate as requested in the remarks of the BOP decision dated 03/04/2026, however the car is compliant on all other points of scrutineering (GT4 homologation conformity, safety, weight, BOP technical requirements, etc).
