

ROUND 5 – SPA-FRANCORCHAMPS
21st – 24th OCTOBER 2020

DECISION No: 05 - Amended

From:	The Stewards	Date:	22 October 2020
To:	V8 Racing	Time:	20:45 hrs

The Stewards, having received a report from the Pit Lane Judge of Fact, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No: 17 & 99
Competitor: V8 Racing
Time (fact): 17:43 & 17:53 for car #17, 17:44 for car #99.
Session: Practice session 2
Fact: 3 wheel guns were observed in the working lane by the designated Judge of Fact.
Offence: Breach of Article 38.1 of the GT4 European Series Sporting Regulations
Decision: **Fine of 200 Euro – suspended for the remainder of the season**
Reason: The incidents took place during the Free Practice session and whilst breaching the regulations, there was no competitive advantage. The Stewards took note of the immediate apology from the Competitor's Representative and reminded him of the consequences of any further similar occurrences.

Amendment: The Stewards have further reviewed the Sporting Regulations and whilst the intention is clear that no team may have more than the stated number of wheel guns at any time in the working area, irrespective of any work being undertaken on a car, the title of section 38 'Tyre Changes' implies that the regulation only relates to when tyres are changed but not when tyres are simply removed and replaced.
The fine is therefore suspended until the end of the season and the Stewards will issue a bulletin to clarify the regulation.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
