STEWARDS' DECISION

From: The Stewards

To: Team Speedcar

The Stewards, having received a report from the Official fuel supplier, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 3 -

Competitor: Team Speedcar

Time: 16:04

Session: Free Practice 1

Fact: Technical Non Compliance - (fuel not compliance with the regulation)

Offence: Breach of Article 3.3 of the GT4 European Series Sporting Regulations and Article 35 of the GT4 European Series Technical Regulations

Decision: 1) Reprimand
2) fine 1000 € suspended until the end of the season in case of similar infringement.

Reason: The Competitor was summoned and heard before the decision was taken, The Stewards received a report stating that the fuel sample of car 3 analysed does not correspond to the Elf Core 50 reference fuel. Certain molecules characteristic of Elf Core 50 are absent from the sample analysed. The relative contamination by surface area is >15%. The Competitor stated that they used a little amount of another fuel for the parade and they were not able to clean properly the fuel tank, and he apologized for the mistake. The inspection was carried out after the FP1 so for that reason the Stewards issue the above penalty and not the standard penalty for technical infringement.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
