

STEWARDS' DECISION

From: The Stewards

To: Gazoo Racing Sweden

The Stewards, having received a report from the Technical Delegate, summoned and heard from the driver(s) and the competitor's representative(s), have considered the following matter and determine the following:

No. / Driver: 55 - Christoffer Brunnhagen

Competitor: Gazoo Racing Sweden

Time: 14:30

Session: Race 2

Fact: Technical Non Compliance - Rear wing vertical position

Offence: Breach of Article 3.3 of the GT4 European Series Sporting Regulations and Article 2.5 of the GT4 European Series Technical Regulations Homologation form Nat- GT4-051, pages 113 and 116

Decision: Disqualified from the results of Race 2

Reason: The Competitor/Driver was summoned and heard before the decision was taken. The Stewards after having considered the matter extensively consider that the car 55 was found not in compliance with the measurement of the particular Rear wing vertical position. In particular the measurement, accepted by the competitors during the hearing, has been taken 3 times at respectively 56, 57 and 58 mm. The minimum value in the homologation form Nat-GT4-051, pages 113 and 116 is set a 61 mm, therefore the value is below of the minimum value. Art 3.3 of the GT4 EU Sport regs stated that Competitors must ensure that their cars comply with the conditions of eligibility with the Technical Regulations throughout the Competition. The Stewards conclude that, in view of the clear provisions of the relevant regulations, it was indeed up to the Competitor to ensure that the rear wing was compliant and therefore the Stewards issue the disqualification as the standard penalty for technical non compliance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
