

ROUND 6 – PAUL RICARD
12th – 14th NOVEMBER 2020

DECISION No: 02

From: The Stewards Date: 13 November 2020
To: AGS Event Team Racing Motorsport Time: 13:40 hrs

The Stewards, having received a report from the Pit Lane Judge of Fact, summoned and heard from the competitor's representative. The Stewards have considered the following matter and determine the following:

No: 89
Competitor: AGS Event Team Racing Motorsport
Time (fact): 10:44
Session: Practice 1
Fact: More than 3 people were observed working on or near the car - witnessed by the designated Judge of Fact.
Offence: Alleged breach of Article 36.5 of the GT4 European Series Sporting Regulations
Decision: **No further action**
Reason: The Stewards heard from the Competitor's Representative, viewed the report from the Pit Lane Judge of Fact and also the photograph taken at the time of the offence. Whilst the photograph appears to show more than three mechanics working on the car, the Competitor's Representative explained that one person was the car controller for their other car and was not touching the car; also, another person was an industry representative.
The Stewards considered that there was sufficient doubt over the roles of the individuals shown in the photograph to merit any penalty unreasonable under the circumstances. The Competitor was advised to be sure to have any personnel not directly involved in any pit work, to be clear of the car concerned and definitely behind the pit lane working line.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
