

ROUND 2 – PAUL RICARD
28th – 30th MAY 2021

DECISION No: 10

From: The Stewards Date: 28 May 2021
To: CD Sport Time: 22:30 hrs

The Stewards, having received a request from the competitor and having heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 74 / Sebastien Baud and Enzo Joulie

Competitor: CD Sport

Session: Practice 1

Fact: The competitor has notified that car 74 has been replaced due to terminal damage to the engine of car 74 during Practice 1 and has requested that a hardship lap be authorised to check the new car.

Offence: Breach of Article 40 of the GT4 Europe Sporting Regulations. Request in accordance with Article 30.8 of those regulations.

Decision: (i) **There will be no penalty for the change of car 74.**
(ii) **Following scrutineering checks, a single hardship lap is authorised for car 74 to be undertaken on Saturday 29th May 2021. The car must be ready at pit exit at a time to be agreed with the Race Director and is permitted to undertake a single lap from pit out to pit in without crossing the timing line.**

Reason: Car 74 suffered a terminal engine blow-up during Practice 1. As this took place before the official qualifying session, the Stewards permit the change of car without penalty. Noting that the team were unable to bring the replacement car to the circuit in time for Practice 2 and therefore missed this session, the Stewards authorise a single hardship lap in accordance with Article 30.8 of the Sporting Regulations in order for initial checks of the replacement car to be performed.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
