Date: 09 October 2021
Time: 10:00 hrs

The Stewards notify all competitors and officials of the following:

Following a request from several teams and also having noted the presence of debris in the paddock, it is permitted for teams to fit part-worn tyres to their cars, purely for transiting from the team areas to the pit lane, prior to the start of the first qualifying session.

It remains the sole responsibility of the teams to then fit the correct tyres, in accordance with the GT4 European Series Regulations, for the qualifying sessions.
