

DECISION No: 32

From:	The Stewards	Date:	2 April 2022
To:	Prosport Racing	Time:	10:10 hrs

The Stewards, having received a request from the competitor and having heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 24 / Hugo Sasse and Mike David Ortmann

Competitor: Prosport Racing

Session: Prior to Qualifying

Fact: The competitor changed the engine in car 24 after a technical problem prior to FP1 (the competitor did not participate in either FP1 or FP2).

Offence: Breach of Article 40 of the GT4 ES Sporting Regulations.

Decision: There will be no penalty for the change of the engine.

Reason: Car 24 suffered an engine failure prior to the start of FP1 and took no part in the session. The car also did not take part in FP2. The team changed the engine after FP2, which is a breach of Article 40 of the GT4ES Sporting Regulations. The Stewards have considered this matter and consider that as the engine was changed before qualifying and the competitor has not taken any effective part in FP1 or FP2, that no penalty is appropriate in this case.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
