

ROUND 1 – IMOLA
1ST – 3RD APRIL 2022

DECISION No: 50

From: The Stewards Date: 3rd April 2022
To: Pierre-Louis Chovet Time: 09:05 hrs

The Stewards, having received a report from the Technical Delegate, having examined telemetry evidence, summoned and heard from the competitor's representative and the SRO Technical Director, have considered the following matter and determine the following:

No. / Driver: 13 / Pierre-Louis Chovet & Johan Boris Scheier

Competitor: Pierre-Louis Chovet

Session: Race 1

Fact: Car 13 was not in conformity with the applicable Balance of Performance for this competition

Offence: Breach of Article 30.1 of the GT4 European Series Sporting Regulations

Decision: **Disqualification of car 13 from Race 1. The next competitors shall be moved up in the classification.**

Reason: Post-Race 1 scrutineering identified that car 13 did not respect the maximum rev limit of 7000 rpm as specified in the GT4 Balance of Performance for this competition. This limit was exceeded in upshift on several laps during the race. The competitor's representative accepts the data presented as being correct and says this is under the control of the manufacturer. However, it is accepted that whilst there is no automatic rev limiter the control is exercised by the use of shift lights, the setting of which is the competitor's responsibility, and also by the driver's observation of the shift light indicators. The Stewards therefore determine that the non-compliance is the clear responsibility of the competitor and that the only appropriate penalty is disqualification from the race. In accordance with Article 12.19 of the FIA International Sporting Code, the Stewards determine that the next competitors shall be moved up in the classification.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
